

THE VICTORIA COLLEGE

Grade Distribution & Retention Report

Spring 2001

Office of Institutional Research & Planning
June 2001

NOTES

NOTE 1: The Spring 2001 Grade Distribution & Retention Report has courses separated by type:

- Reg = Regular Credit (non ITV/non-Online classes)
- DV = Developmental Education (includes Online Developmental Education classes)
- DL = Distance Learning ITV (off-campus receiving location classes)
- IH = Distance Learning ITV In-House (on-campus transmitting location classes)
- IN = Interim Semester
- OL = Online/Internet classes

There is a Division total (with all class types combined) at the end of each Division section. No class is counted twice, although some fall under two categories (for example, Online Developmental Education courses could be listed under DV or OL, but will only be listed as DV in this report).

All classes are Credit Classes.

NOTE 2: This report displays data at the college-wide summary and course level only. Course section numbers and instructor names will not be revealed.

NOTE 3: Courses listed under Counseling in this report are the same as those listed under Orientation in other grade reports. "Orientation" classes are taught by faculty/staff from the Counseling Services Department.

NOTE 4: This Grade Distribution & Retention Report calculates ALL percentages based on the total number of students enrolled as of the 12th class day. All other printed or web representations of grade distribution data, such as that presented in **Profiles**, calculate percentages (for students earning A, B, C, D, F, I, S, or U) based upon the total number of *completers*, not the number enrolled as of 12th class day.

All data is accurate as of the date of this report, June 4, 2001, but is subject to change as students may petition for a grade change, may complete work that affects their final grade, or may be withdrawn from or reinstated in a class depending on the situation.
